### PARENTAL/CAREGIVER SUPPORT - A STRENGTH OF MATAHUI SCHOOL

Welcome back to school everyone. We sincerely hope that you all managed to find time as a family to enjoy the break. It is incredible to think that the first week is through and we are all a week older.

One of the key features of our learning will be the way in which members of our community come in to school to share their expertise and skills in a variety of ways. The level of active, positive support many of our parents provide in enhancing our curriculum is an aspect of Matahui School that is a real strength.

Last term Matthew Fletcher and his co-coach Andrew Davenport coached our Ripper Rugby team many of whom had never really played rugby before. We would like to thank them both and all the parents who supported this team.

On Wednesday we had Mennie Scapens, Michael Ellis and Philip Magnussen in school coaching our Year 5 -8 basketball teams. On Thursday Marie Webster and Suzanne McLeod arrived to coach our netball players. Thank you all for the level of commitment you have made so that our students have yet another opportunity to develop their sporting skills.

Another skill a number of you possess is painting. I would like to organise a team of Michelangelos (brush and roller hands) who would be prepared to give up a Saturday morning to undercoat the "Studio." If you feel you can spare the time can you let the office know and we will then coordinate a date for this "social" event.

Lastly, I hope you all had the opportunity to view "7 Sharp" when Nibbles McDonald, Kayla's duck featured sporting his prosthetic beak designed and built by Simon. What a wonderful story and outcome for Nibbles.

Have a restful weekend even though you will be preparing your brushes and rollers

have a restful weekend even though you will be preparing your brushes and rollers in readiness to paint.
